

Colours and Shapes

Sensory Bottle

You will need:

Water
Oil
Glitter
Pipe cleaners
Foam cubes
Pom-poms
Hair bands of 1 colour
5 bottles
Glue gun or strong glue

Method

1. Make up the bottles individually with water and oil (in equal measures).
2. Add pipe cleaners to resemble straight lines.
3. Add foam cubes for squares.
4. Add pom-poms for circles.
5. Add hair bands for hoops.
6. Add glitter for sparkles.
7. Once all the materials are in the bottles, glue the lids on for safety.
8. If you use just one colour in each bottle, you can use these bottles to reinforce colour as well as shapes.
